The logo for the artist NICCO consists of the name "NICCO" in a bold, metallic, sans-serif font. The letters are highly reflective and have a 3D effect, set against a dark, rectangular background.

With such a distinctive voice and sound, it comes as no surprise that NICCO, a vocalist, songwriter, and electrifying performer, is making major strides forward in the music scene. NICCO was influenced by reggae music at the age of 10 when he lived with extended family in St. John, U.S. Virgin Islands. It was there where he became deeply influenced by Reggae. In the past 10 years NICCO has used his reggae influences to fuse both his sweet vocals and rough chanting to pave new paths. Discovered through Myspace, NICCO's vocals were brought over to the European Dance Electro scene. This new, unspoken for, artist caught his audience by surprise and gained an astounding reaction from his fans. NICCO continued to push forward with his amazing songwriting and vocals by teaming up with producers DARIUS & FINLAY. Leading songs such as "Rock To The Beat," "Hold On," "Till Morning" (released by Sony Germany), "Do It All Night," and "Destination" (released by Trakmusic), to top spots on the European Dance and Singles Charts. NICCO also worked with producer ROBERT M. for the song "Dancehall Track" that went ahead to receive a Gold Record 2010 in Poland. Also, DARIUS & FINLAY feat. NICCO received the FaMa Award in Poland for "Most Played Song of the Year 2009" for "Destination" and were Nominees of 3 Austrian Music Awards and Recipients of "Best Artist" 2010 and "Best New Comer" 2010. NICCO also received an award for "Best Vocalist" for 2010 at the FaMa awards in Poland. In the meantime, NICCO continues to travel back and forth to Europe, performing sold out shows with his high energy and captivating performances. Today, NICCO continues to take massive steps forward as a signed artist to SONY with his solo career, as a more commercial Pop/Dance artist for mainstream. From Europe to the U.S. ... The time is right, the time is now! Keep your eyes and ears peeled for NICCO!
